NEWSLETTER 1/2017

Dear friends of contemporary music,

hereby i would like to invite you again to join the **impuls Festival 2017** - be it as participant of our impuls Academy, as visitor coming to Graz in person or be it just digitally.

From **February 10th to 21st** impuls offers various programs taking place **at different locations throughout the City of Graz** – in galleries and in public spaces, small art institutions such as esc and kunst.wirt.schaft, at the Kunstuniversität Graz, Minoritensaal, Helmut List Halle and other venues also **beyond classical concert stages**.

Concerts, presentations, lectures, discussions and other music communication programs are offered on a **daily basis, partly with free admission**.

Unconventional formats such as the impuls MinuteConcerts (18.2.) or Day on Campus and in the City (19.2.) hereby allow to get in touch with contemporary music in a very casual way and meet up with artists on eye-level.

More than **240 young musicians and composers** coming from **more than 50 nations** and **4 continents** will join the impuls Academy this year and also present themselves at our Festival **along with various renowned musicians** such as **Klangforum Wien, Trio Accanto** and this year's **impuls tutors**. With various premieres and **young composers** performed, lots of discoveries can be made at the Festival and of course you also will not have to miss already **well established composers** and their works.

For further info check our homepage, www.impuls.cc/en/festival-2017.html and scroll down for a quick summary of some of the daily highlights.

Hope to see you in Graz soon!

Best
