impuls promotes and supports young composers not only within its Academy, but also through the impuls Composition Competition. impuls commissions up to 6 new works for ensemble every second year from young composers selected by a jury. Subsequently these composers are invited to take part in the impuls Composition Workshop in Vienna and Graz – where their new works are collectively rehearsed and discussed extensively with musicians of world-class ensembles such as Klangforum Wien – as well as to the première of their new pieces within the impuls Academy and Festival in Graz.

CALL FOR ENTRIES for the **current impuls Composition Competition** starts **NOW** and runs through November 20th, 2010 (Commissions will then be given in 2011, the Composition Workshop and premières of the new pieces will take place in 2013).
