1.) impuls . **Composition Competition: Results**

impuls competition

We would like to thank all composers again, who have handed in their works, materials and concepts for the impuls Composition Competition back in 2012, which this time was an invited competition for international composers. These were nominated by 33 international representatives (composers, curators, journalists etc.), who were asked by impuls to name 3 composers each. At a final meeting in April 2013 a jury consisting both of composers and musicians (Pierluigi Billone, Markus Deuter, Lorelei Dowling, Clemens Gadenstätter) selected five composers out of about 60 applications eventually sent in from three continents:

Wojtek Blecharz (*1981, Poland)

Ashley Fure (*1982, USA)

Marco Momi (*1978, Italy)

Brigitta Muntendorf (*1982, Germany)

Davor Branimir Vincze (*1983, Croatia)

These composers will take part in the upcoming impuls Composition Workshop in Vienna and Graz with Klangforum Wien coming along with commissions to write new pieces for ensemble, that will be premiered in February 2015 in Graz during impuls 2015.

Calls for the **next impuls Composition Competition** will be made in 2014.

2.) impuls . **Zesses Seglias**

selected for the **Ernst. Composition commission**

As cooperation partner of impuls the **Ernst Krenek Institute** in Krems **commissions a composition** to a **participant** of the **composition class** at **impuls** also in 2013. After a three-week visit at the Institute in Krems and in depth study of composer Ernst Krenek, a piece for a chamber music ensemble shall be composed and in sequence premiered by **Klangforum Wien**. We are happy to announce that Greek Composer **Zesses Seglias** was selected amongst all **composer participants of the 8th International Ensemble and Composers Academy for Contemporary Music** this year for this cooperation program. For further information on this program please visit www.impuls.cc/academy/special-programs.html.

3.) impuls . **Samuel Cedillo**

selected for exchange program with **Fondation Royaumont**

As part of the **EU-network Ulysses** (<http://project.ulysses-network.eu>) **impuls** and **Fondation Royaumont/Voix nouvelles** in France have established an **exchange program** for the support of young composers of excellence for 2012/ 2013 and 2014/2015. After the participation of **Chris Swithinbank** (www.chrisswithinbank.net) at the impuls Academy in February 2013, Mexican composer **Samuel Cedillo** (www.samuelcedillo.com) was selected amongst this year's impuls Academy participants to attend the Royaumont's Composition Session 2013, lasting from Monday, August 26th to Saturday, September 14th, in return. For further information on this program please visit www.impuls.cc/academy/special-programs.html.

4.) impuls . **Academy + Festival**

9.-20.2. 2013, Graz, Austria: **Summary**

impuls academy

* **181 regular Academy participants** and another **9 external participants** coming from **four continents** and **50 nations** plus additional international guests and external visitors were accepted to the 8th International Ensemble and Composers Academy for Contemporary Music in 2013 (this is nearly 100% more than back in 2009 and a rise of more than 20% compared to 2011; many more applied; in general: again strong rise of applications, again a good mix of Austrian and international participants).

* For the first time impuls was part and partner of an **European Project (Ulysses)** realising several special projects within this network (Composition beyond Music / Young Ensemble in Residency / Composer Exchange Program impuls-Royaumont and IKI/Opus XXI): Thus besides newly formed Academy ensembles an already existing **young ensemble (Curious Chamber Players, Sweden)** was included in the Academy, who also offered reading-sessions and realised several works by impuls composer participants at a final concert. At **Peter Ablinger**´s Masterclass **“Composition beyond Music”** musicians, composers and one instrument builder realised site-specific works at the Minoriten Gallery situated in a cloister, and were visually accompanied and artistically documented by visual artist **Christine Schörkhuber**. Last but not least with **Christopher Swithinbank** and **Matthias Kranebitter** two young composers could be included and featured at the impuls Academy and its partners through special exchange programs..

* Both offers for **composition, electronics** and **instrumental classes** could be **enlarged** again (including again classes also for accordion, voice ... and electronics).

* **New special programs** were developed and the cooperation in between **composers** and **interpreters** intensified once more (f. e. through various calls for scores amongst the composer participants – to be worked on and partly performed in public during the Academy in sequence –, through additional reading-sessions and compositions developed together with the interpreters and finalised on spot ...), amongst them: New Pieces for Percussion supervised by Georges Aperghis and Christian Dierstein, Miniatures for Contrabass Clarinet and Double Bass realized by Uli Fussenegger and Ernesto Morlinari ... or Writing for brass . Workshop for composers guided by Bill Forman and Mike Svoboda just to name a few.

* Besides individual and group lessons as well as chamber music and ensemble work **lectures, discussions, instrumental presentations** (f. e. Extended Techniques in Modern Oboe or

Presentation of Tubax), a **jour fix for composers** and **workshops** on various theoretical topics as well as with practical impact (f. e. tools at work / websites – social platforms or How to get attention? The presence of contemporary music in the media) ... were offered on a **daily basis**.

* An **additional workshop** was organised specially for **young pupils** of **Musikgymnasium Dreihackengasse** in Graz.

* For the second time **daily improvisation classes** and modules including lectures were offered and possibilities for various presentations established (due to the big resonance impuls enlarged its offers also in this field).

* For the second time a cooperation with the Ernst Krenek Institute came along with both a residency and **commission** for a new piece to be performed by Klangforum Wien for one of the participating **young composers** (composer selected: Zesses Seglias) and with Samuel Cedillo another impuls participant was selected for an **exchange program** with Fondation Royaumont/Voix nouvelles.
