Brief description of musical education:

For vocalists registering, there is **two options available**: 1.) applying for **module A** (vocal ensemble only), 2.) applying for **module B** (vocal ensemble plus soloistic performance), coming along with different durations.

I hereby register for the **Vocal Program module A (vocal ensemble)** within the impuls Academy 2027: coaching period from **14.-19.2.2027 (arrival on 13.2. or by noon on 14.2. at the latest; departure on 20.2.)**  
Decision on acceptance for module A will be made on an ongoing basis.

**I choose (module A):**

- Early Payment:** Registration fee € 120,-\* + Academy fee € 65,-  
(total € 185,- / \* Registration fee immediately due on acceptance + Academy fee due to September 10th, 2026 at the latest)
- Regular Payment:** Registration fee € 120,-\* + Academy fee € 95,-  
(total € 215,- / \* Registration fee immediately due on acceptance + Academy fee due to November 10th, 2026 at the latest)
- Late Payment:** Registration fee € 120,-\* + Academy fee € 130,-  
(total € 250,- / \* Registration fee immediately due on acceptance + Academy fee due to January 10th, 2027 at the latest)

In case vocalists of module A want to arrive already before 13.2. (for joining the discourse programs and impuls Festival, but without any further vocal coaching), a surcharge will be asked for – please check conditions for a longer stay with us.

**OR**

I hereby register for the **Vocal Program module B (vocal ensemble and soloistic performance)** lasting the **entire duration** of the impuls Academy 2027.

I am aware that there is less places available for this module.

A first decision on acceptance for module B will be made by August 2026. In case there should be places left for module B after summer, submissions will then be reviewed on an ongoing basis.

**Two options are given for this registration – please decide on one of them:**

- I will **only take part** in the vocal program, if chosen for the **entire vocal program** (vocal ensemble and soloistic performance).
- I want to **take part** in the vocal program **in any case**, also if chosen only for the **vocal ensemble program** (conditions for module A then apply).

**In case I am accepted for module B (8.-20.2.2027), I choose:**

- Early Payment:** Registration fee € 120,-\* + Academy fee € 250,-  
(total € 370,- / \* Registration fee immediately due on acceptance + Academy fee due to September 10th, 2026 at the latest)
- Regular Payment:** Registration fee € 120,-\* + Academy fee € 310,-  
(total € 430,- / \* Registration fee immediately due on acceptance + Academy fee due to November 10th, 2026 at the latest)
