## 2.) impuls . **Text im Klang #5**

„Text im Klang“ is looking forward to its 5th edition. From the very beginning, the project has seen itself as a laboratory, where medial interlacings with a focal point on impulses are put into practice. This time „das gehörte feuer. orphische skizzen“ by Austrian author **Ferdinand Schmatz** is the starting point for new compositions commissioned by impuls from **Alexander Bauer, Víctor Morató Ribera, Sinan Samanlı** and **Manuel Zwerger**. The world premieres, realized once more by **Ensemble Schallfeld**, and the reading will again be presented in a dramaturgically developed evening on November 5th this year, and will conclude the following day with an open brunch, including reflections on the overall process of the project and an exchange with the audience on their impressions.
